Making Big Dreams Happen

We hope you're dreaming big and we hope those dreams include great things for Montana. In the 2018-19 academic year, we awarded more than \$430,000 to deserving Montana students thanks to the generous scholarship funds established by our donors.

Qualifications vary widely resulting in scholarship eligibility for a diverse range of students. For most scholarships, students can begin applying online January 1, with the closing date for applications being March 16. Scholarship awards generally range between \$500 and \$5,000, some of which are renewable for multiple years.
